QUICK START GUIDE

We recommend that you take a few minutes to read this guide carefully before use.

Thank you very much for purchasing the Mouse Computer's Fingerprint Reader FP01 for Windows Hello feature.

■FCC DECLARATION OF CONFORMITY

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 (1)This device may not cause harmful interference, and (2) this device must accept any interference received,
including interference that may cause undesired operation.

This device has been tested and found to comply with the limits for Class B Personal Computers and peripherals, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the device is operated in a residential environment. This device generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
However, there is no guarantee that interference will not occur in a particular installation. If you determine the device does cause harmful interference to radio or television reception (this may be determined by monitoring the interference while turning the device off and on), you are encouraged to try to correct the interference by one of the following measures:
  □ Reorient or relocate the receiving antenna.
  □ Increase the separation between the device and receiver.
  □ Connect the device into an outlet on a circuit different from that to which the receiver is connected.
  □ Consult the dealer or an experienced radio or TV technician for help.

■CAUTION

KEEP THIS DEVICE OUT OF REACH OF CHILDREN
 Children may accidentally swallow because this device is very small.

DO NOT TOUCH THE USB TERMINAL WITH WET HANDS
 For example, the USB terminal gets wet, the circuit may short-circuit and cause damage.

DO NOT USE THIS DEVICE NEAR WATER
 For example, near a bathtub, kichen sink, laundry tub, or in a wet basment.

DO NOT YOUCH THE DEVICE IF YOU SEE LIQUID LEAKING AROUND

**DO NOT DISASSEMBLE OR MODIFY THE DEVICE**
